

BALLROOM DANCE CLUB PHOTOGRAPHY POLICY/DISCLOSURES

The Ballroom Dance Club has one authorized photographer to take photos of members for the Club. The photos will be posted on our unsecured website for members to view and download at no charge. We may use the photos for our Compass magazine or Sun Senior News articles. We may also make prints and post them on the posting board in the multipurpose dance classroom. Our authorized photographer may ask members if they would like their photo taken in a single, couple, or group setting. Members may decline their photo being taken, and our photographer will accommodate their request. Any member who witnesses anyone taking photographs who does not abide by these guidelines should contact the Club's Chairperson.
